

**KEYNOTES • PANELISTS • WORKSHOPS • GRADUATE STUDENT/FACULTY DISCUSSIONS • WEBINARS
LUNCH AND LEARNS • ROUNDTABLES, MEET-UPS & CHATS**

Frequent trainers, speakers and panelists at events of all sizes, Lisa, Becky, Michael and Kris tap into their extensive knowledge and backgrounds to educate and inform audiences. Each has a unique and engaging presentation style employing illustrative stories and real-life examples.

Comments from BBCetc program evaluations:

“Great focus on most important areas to succeed. Very impressed by depth of knowledge and ability to interpret questions and details of specific company/university concerns.”

“All public speakers should be like this! Enthusiastic, knowledgeable, and engaging. Also confident, insightful, and thorough.”

Becky Aistrup is a Managing Partner of BBCetc, having previously served as SBIR/STTR Program Director for the Minnesota Science & Technology Authority. She has over 20 years of experience working within the medical, defense, aerospace, biotech, advanced materials and electronics industries. She holds an M.B.A. in Marketing Management.

Kris Bergman is a Managing Partner of BBCetc. Prior purchasing the company with Becky Aistrup in 2016, Kris was Principal Consultant for Grants/Contracts Management. Kris assists clients in preparing to receive and manage federal grant/contract funds. Kris has 30 years of experience in managing finances and organizations.

Lisa Kurek is BBCetc’s Partner Emerita and Sr. Principal Consultant. Prior to joining BBCetc in 1997, she spent the 15 years in product and business development, sales and product management in the biomedical industry, including several early-stage medical device and biopharmaceutical companies. Lisa holds an M.S. degree in biomedical engineering.

Michael Kurek, PhD, is Sr. Principal Consultant. Over his 35-year career, Michael has excelled in diverse roles in the product development process: research scientist, project leader, product manager, marketing & sales executive, and consultant to technology entrepreneurs. He holds a Ph.D. in Genetics and an M.B.A.

About BBCetc: BBCetc works with technology-based entrepreneurs and companies on strategies to advance R&D efforts to commercialization. The BBCetc team is nationally recognized for its success in helping clients secure federal funding through the SBIR/STTR Programs. Services include training courses and one-on-one consulting in the areas of technology assessment, SBIR/STTR proposal development, commercialization planning, and grants and contracts management.
